Memo

Docket Nos. 50 and 17 dated 13th April and 26th June 91 from the Dy Commr. Mysore Dist. and the Inam Supdt. respectively.

The Ver: records shew that an allowance of Rs. 28-8-0 per annum or Rs. 2-6-0 per mensem had been granted by Govt. to the Kodanda Ashrama Matt on the Aswatha Katte at Sirmakadu in the Sirmakadu Narsipur Taluk for the Paditara and Deepa radhane services of Vidyasankara Swami temple in the said Matt that during the Inam settlement in

in 1880 the allowance was resumed to Govt. by the Inam Deptt. on the ground that the Matt & the temple were in disrepair, that the services in the temple were being performed regularly even during the period of resumption of the allowance, that the Matt & the temple were repaired properly by the Pujari at his own cost in 1887, that the repairs thereof were completed in March of the same year, and that the Amildar & the Mamlatdar Officer who inspected the Matt & the temple personally found them to be in good order and that the Puja is now conducted regularly.

2. Under the above

above circumstances, the Dy Commr now recommends the restoration of the allowance of Rs. 28-8-0 per annum or Rs 2-6-0 per mensem to the Matt and submits for sanction a bill for Rs. 80-12-0, being the arrears of allowance due for 34 months from 1st March 87 (in which the repairs were completed) to the end of Decr 89.

3. The payment of the arrears of allowance cannot be sanctioned as the allowance has not been confirmed in the Inam settlement and as there is no provision for the same in the Budget grants from the date of resumption up to date. The allowance may be restored provided the Pujari of the temple and the

manager of the
Matt produce a
Mudhalikar on a
probate stamp
paper binding
themselves to keep
the Matt & the temple
always in good order
and to have the
services in the temple
performed regularly
in future.

E.V. (memo contd.)

Memo

The mudhalikar executed by the manager of the Matt & the archik of the Temple shew that they are bound to have the services regularly performed. But the Thasdik originally granted to the Matt and the Temple was resumed in 1880 on the ground that the Temple was in disrepair. The present mudhalikar does not contain the ~~condition~~ stipulating of their being bound to keep the institutions always in good order. This ~~fact~~ stipulation is absolutely necessary to be inscribed in the mudhalikar.

any valuables that may ve been buried beneath

out of the temple. Owing the impoverished
of the villagers and the ruined state of the temple
famine the agent had removed the deity to a

2 Gundappah late Amildar of Tumkur finds that the deity was removed from its original temple ordered the cultivation of the Inam lands belonged to the said temple by the Government Officials and recovered the annual Kandayam by sale of its produce and duly credited the balance to the Sur=plus Fund of the Devasthanam. —

3. The temple is in a ruined state and requires repair at a probable cost of Rupees 82-6-0 and further a sum of Rs 100 is required for the proper performance of Prathista which is reported to be essentially necessary in replacing the deity in its original place. Mallappa the Agent of the temple having now agreed to undergo such Expenses begs that the amount of Rupees 78-12-7 deposited as a Surplus Fund be sanctioned and the Inam lands be restored to him for the future management of the Devasthanam.
